

Independent Medical Education Grants

FREQUENTLY ASKED QUESTIONS

Eligibility

1. [Which application type will my grant proposal fall under?](#)

Each application is question driven to guide you to the appropriate application type. For further questions, reach out to us at educationalgrants@sparktx.com.

2. [What are the funding restrictions and requirements?](#)

Please visit the specific therapeutic area page for restrictions and requirements.

3. [Does Spark support international programs for Medical Education Grants?](#)

It depends. Spark may consider an international medical education program if the majority of the audience is physicians in the United States (US) and the organization requesting the funding is located in the US.

4. [What are the supported Spark disease states?](#)

- Pompe disease
- Hemophilia A
- Ophthalmology – Inherited Retinal Disease
