

## CAMLOG BIOTECHNOLOGIES GMBH RESEARCH FUNDING

### Grant Application Terms & Conditions (“Terms & Conditions”)

#### 1. Introduction

The aim of Camlog Biotechnologies GmbH (“**Camlog**”) is to support progress in the field of implant dentistry by creating and imparting new scientific knowledge for the benefit of patients. For this reason, Camlog awards grants for:

- Young scientists and/or clinicians working within an established group
- Experienced scientists and/or clinicians working within an established group or individually.

Interdisciplinary and/or international projects are encouraged.

The applications will be considered with priority if they refer to the following topics:

- Diagnostics and planning in implant dentistry
- Hard- and soft-tissue management in implant dentistry
- Sustainability in implant-supported prosthetics
- Physiological and pathophysiological aspects in implant dentistry
- Advances in digital procedures in implant dentistry.

#### 2. General Provisions

The following guidelines apply to grant applications to Camlog.

Grants are limited to a maximum total amount of € 100,000 per application. The maximum annual payment amounts to € 50,000. The accepted currency is EURO (€).

By submitting an application, the applicants confirm that:

- all information in the application is complete and accurate to the best of their knowledge;
- they have sufficient time and resources to conduct the research;
- the grant will only be used for the approved purpose;
- the applicants’ administration is fully aware of and agrees to the grant;
- the grant will be paid into a designated research account and not to an individual (for example to the account of the university or research organization);
- the grant will not be used to fund faculty salaries exceeding a maximum of ten percent (10%) of the total budget;
- they will work in accordance with all applicable local and/or international regulations regarding the use of animal subjects, human subjects, and biological hazards; and
- they agree to report on the progress of their research twice a year.

#### 3. Grant Application

The applicant must submit the grant application to Camlog by using the grant application form (“**Grant Application Form**”).

There are two submission deadlines: **March 31 and October 31.**

By submitting the Grant Application Form, the applicant(s) irrevocably consent to these Terms & Conditions.

A short Curriculum Vitae of the first applicant (“**First Applicant**”) and a detailed budget for the project must be attached as PDFs. The budget must include a detailed list of material necessary, the costs for equipment/facilities/analyses, internal and external manpower costs (e.g., statistician), administrative costs if absolutely required, etc.

The application must be submitted in English.

#### **4. Grant Review**

Applications will be reviewed and evaluated by Camlog twice per year.

#### **5. Grant Decision**

The First Applicant will be informed of Camlog’s decision within two (2) months of the application deadline.

The grant can be approved unconditionally or conditionally, subject to additional requirements such as:

- Detailed or revised project protocol
- Approval of competent authorities (in case of human studies, animal studies, studies on stem cells)
- Revision of the budget
- Revision of the research schedule
- Detailed definite timeline.

In case of conditional approval, the First Applicant will have four (4) weeks to complete the application as requested. The First Applicant will be informed of Camlog’s final decision within four (4) weeks following receipt of the additional information.

#### **The following rules apply:**

- A grant is accorded for a specific application and must be used exclusively for such application.
- The grant will be paid according to the milestones in the grant approval agreement (“**Grant Approval Agreement**”).
- Faculty salaries will be funded up to a maximum of ten percent (10%) of the total budget. This does not apply to, e.g., technicians, graduate students, or statistics consultants.
- Camlog will pay approved administrative overheads to research institutions or universities.
- Camlog does not cover costs related to trips to present the research results including travel costs, hotel accommodation and food & beverages.
- Once a grant has been awarded, the First Applicant may not submit another grant application for three (3) years from the final decision date.
- If a project has not been started within nine (9) months of the final decision date Camlog reserves the right to withdraw the grant, requiring reapplication.
- Camlog reserves the right to immediately (i) terminate the Grant Approval Agreement and/or (ii) withdraw the grant for cause.

The rejection of the application will be communicated by email. Camlog may reject the application without providing reasons. Paper documents will be sent back to the applicant.

When a grant is approved, Camlog will provide the First Applicant with a Grant Approval Agreement, which must include bank details of the university/academic affiliation.

## **6. Grant Responsibility**

Where a grant is awarded, the First Applicant assumes full responsibility for the design, execution, and management of the research project, including compliance with all applicable regulatory and legal requirements including transparency obligations, and Camlog policies. By accepting the grant, the First Applicant acknowledges that Camlog bears no responsibility for the project or its outcomes and acts solely as a funding contributor. This also applies to any research grant awarded for a particular research project by Camlog. The First Applicant bears full responsibility for full compliance with these Terms & Conditions by co-applicants and their institutions.

## **7. Provision of Funds**

Once a grant has been awarded, research funds will be paid out in instalments to be agreed upon by the First Applicant and Camlog. In general, the first instalment is up to fifty percent (50%) of the total grant amount. Twenty percent (20%) of the awarded amount will be held back and transferred after receipt of the comprehensive final report. Funds will only be made available upon receipt of an invoice issued by the applicant's institution on the dates agreed with Camlog. Invoices must be addressed to Camlog in Euro. If portions of the grant need to be paid out to third party academic institutions involved in conducting the project, such institutions must also provide their bank details to Camlog.

## **8. Transparency Requirements**

Camlog will disclose any financial relationships and transfers of value provided where required by applicable law, regulation or industry code. The First Applicant shall cooperate in good faith to ensure compliance with applicable transparency requirements, including the provision of necessary information to facilitate accurate and timely reporting.

## **9. No Conflict of Interest**

All activities shall be conducted in a manner that avoids actual or perceived conflicts of interest. The First Applicant represents and warrants that any actual, potential, or perceived conflicts of interest related to the project have been disclosed to Camlog and, where applicable, to relevant institutions or authorities. The First Applicant shall promptly notify Camlog of any new or changing conflicts of interest arising during the term of the agreement and shall implement appropriate measures to manage or mitigate such conflicts in accordance with applicable laws, regulations, and institutional policies.

The granting of the grant will not be in any way connected with any other business relationships between the parties, including the First Applicant, the institution, and Camlog. Camlog expressly confirms that the grant is not made in the expectation that it will be considered in future procurement decisions in favor of products of Camlog.

## **10. Adverse Event Reporting**

Where the activities in connection with a project under these Terms & Conditions involve patients or the use of medicinal products, medical devices, or other interventions, all applicable adverse event reporting obligations shall be complied with. The First Applicant and/or the university or research organization shall promptly report any adverse events and serious adverse events arising in connection with the project to Camlog within the timelines and in the format specified by Camlog and in accordance with applicable laws, regulations, and Good Clinical Practice (GCP)

guidelines. Camlog shall be responsible for evaluating and, where required, reporting such adverse events to competent authorities and ethics committees in accordance with applicable pharmacovigilance and regulatory requirements. The First Applicant and/or the university or research organization agree to cooperate and provide all necessary information to ensure timely, complete, and accurate reporting.

#### **11. Annual Update Reports**

A report including a brief financial overview of the project must be provided to Camlog once a year. These reports will be presented to the members of the Camlog Clinical Research Committee.

#### **12. Final Report**

Upon completion of the research project, a comprehensive final report including a detailed financial overview must be submitted to Camlog. This report will be presented to the members of Camlog's Clinical Research Committee.

#### **13. Project Delays**

Should the project be delayed for any reason, the First Applicant must inform Camlog immediately by email ([maria.scheuermann@camlog.com](mailto:maria.scheuermann@camlog.com) or any alternative address provided by Camlog) and provide a new projected completion date for the project.

#### **14. Original Publication**

A copy of the original publication resulting from the funded project must be provided to Camlog as soon as it is available.

#### **15. Footnoting Financial Support**

Financial support provided by Camlog must be footnoted in the publication in the following manner: "This project was supported by a grant from Camlog Biotechnologies GmbH, Switzerland."

#### **16. Ethical Committee Approval**

If animal or human studies are pre-approved by Camlog, final approval remains pending until the First Applicant provides proof of the final approval of the Ethical Committee to Camlog's Clinical Research Committee. Funds will only be made available after copies of the approval form/s have been received by Camlog. Should the Ethical Committee's approval not be granted and lead to the amendment of the protocol, the First Applicant is obliged to resubmit the amended protocol to Camlog.

#### **17. Amendment of Research Protocol**

If the protocol of funded research is amended, the First Applicant is obliged to inform Camlog in writing and to re-submit the amended protocol upon request.

#### **18. Intellectual Property Rights**

The applicant(s) and their employer(s) shall own all rights, title and interest in and to all intellectual property, conceived and reduced to practice in the conduct of the research project funded by Camlog. The applicant(s) and their employer(s) shall immediately inform Camlog in

writing of any invention that may become the subject of a patent, or any other intellectual property rights resulting from the research project funded by Camlog. Camlog shall have a right of first offer as well as a right of first refusal on the same terms negotiated with a third party for a license, preferably an exclusive, transferable and worldwide license, for such patent and other intellectual property rights and the applicant(s) (and their employer(s)) shall negotiate in good faith with Camlog for a period not exceeding six (6) months on a license agreement.

#### **19. Reference to Funded Studies**

Should a Camlog research grant be awarded, the applicant(s) and their institution(s) authorize Camlog and its associated companies to refer to their grant/Camlog -funded research in Camlog publications, on the Camlog website or in publications authorized by Camlog, and to publicly announce the grant or fund.

If a grant is awarded, original invoices for equipment/items of lasting value and/or supplies/consumables must be provided to Camlog upon request.

#### **20. Unspent Funds**

Any unspent funds after completion of the project must be returned to Camlog without delay, including unused products in case of in-kind research support.

#### **21. Change of Institution**

Should the First Applicant leave his/her institution, he/she must immediately inform Camlog in writing and indicate whether the research project will be transferred or remain at the former institution with an assigned person. Should this not take place and Camlog be left without an officially agreed contact, Camlog reserves the right to reclaim all funds paid to the First Applicant's former institution.

#### **22. Correspondence Partner**

Should funding be provided, the First Applicant will be Camlog's exclusive correspondence partner.

#### **23. Eligibility for Research Grants**

Eligibility for a research grant requires full acceptance of these Terms & Conditions as part of the Grant Approval Agreement to be concluded between Camlog and the grant recipient. By submitting an application, the applicant(s) confirm that they have read, understood, and accepted these Terms & Conditions. No amendments to the Terms & Conditions will be permitted. Should funding be provided, the PDF of the research grant submission, these Terms & Conditions, and the Grant Approval Agreement constitute the full and conclusive documentation to the grant.

#### **24. Grant Receipt**

The receipt of the grant shall be confirmed by means of a (tax) receipt as defined by applicable law.

#### **25. Applicable Law and Place of Jurisdiction**

The application/Grant Application Form, these Terms & Conditions, and the Grant Approval Agreement are governed by and construed in accordance with Swiss substantive law. All disputes out of or in connection with the application/Grant Application Form, these Terms & Conditions

and the Grant Approval Agreement are to be resolved exclusively by the ordinary courts of the city of Basel, Switzerland.

\*\*\*

By submitting an application to Camlog the applicant(s) confirm that the application form was completed in accordance with these Terms & Conditions and that all information provided in the application is complete, true, and accurate.
